Re: California Public Records Act Request

Dear Mr. Drake:

On May 7, 2013, Modesto Irrigation District received your Public Records Act Request via email requesting the following information:

“I would like the amounts MID has given to the Workforce Alliance by year for the last 15 years.”

In conformance with Government Code section 6253, MID has evaluated your request to determine if the requested records are privileged or otherwise exempt from production under the California Public Records Act, or other applicable law.

Attached is a list of payments made to Stanislaus Economic Development & Workforce Alliance from 2008 through 2013. These are the only payments made to the Alliance in the last 15 years.

Sincerely

Lou Hampel
